1.1.4 Achievements

In 2007 I successfully completed the supervision of my first 2 PhD candidates who graduated in July 2019.

As Chairman I established the Departmental Resource Room that now has a total of 1,500 books, 400 journals and 30 theses and more than 100 projects.

As Chairman, found need to expand the course base of the department and I led the development of three new undergraduate courses in disaster management and criminology in 2014 that were approved by the School Curriculum Committee and yet to be approved by Senate

As Chairman ensured the development of modules for the Digital School of Virtual and Open Learning from 50 per cent to 100 per cent of diploma and undergraduate courses.
